PER DIEM & EXTENDED PLACEMENT CLINICAL SERVICES

ACMC acknowledges the many concerns regarding the September 1, 2009 deadline for all agency staff that work at John George Psychiatric Pavilion (JGPP) and Fairmont Community Hospital (FACH) to obtain Crisis Prevention Intervention (CPI) training (2 days). As a result, the deadline has been extended until **January 1, 2010** allowing you ample time to meet this expectation.

There are a couple of avenues you can explore to meet this expectation.

1. Send a representative from your agency to become a certified instructor for your agency who can teach the staff from your agency.
2. Send each staff individually for the 2 day CPI class.
- 3.

To obtain more information regarding the training schedule times, and fees for training, you should visit the CPI website at www.crisisprevention.com or contact them.

If your staff does not have this certification by the effective date, they will not be able to work at JGPP, and FACH. In the interim, we will continue to accept the Management of Assaultive Behavior certification.

If you have any questions concerns, please be sure to contact Dana Thomas Supervising Clerk at (510) 437-5141 or Wacheera Davis at (510) 437-4938.
